THREE OF A FUNNY KIND Directed by Kathy Gent

Company Theatre is very pleased to have the assistance of Kathy Gent for this mid year production. Kathy is an experienced Director, who is on a work contract to New Zealand for 2 years. She joined Company Theatre earlier this year and has been involved in all behind the scene aspects since then. In England, Kathy has directed revues, pantomimes, plays and musicals, and for the past few years has been Chairman of a drama group in London. She has recently directed Cabaret, Stepping Out, A Chorus of Dasapproval, Bedroom Farce, Rebecca and Charley's Aunt. She has a love of comedy and gets a buzz from managing the whole production from the initial reading through to providing the final entertainment for appreciative audiences. She asks you to sit back and enjoy the mix of comedy styles - situation, black and farcical comedy. You are asked to laugh as much and as loudly as you can and to join in singing with our Pirates finale, printed below.

CHORUS WORDS (start after the Pirates come on!)

Come friends, who plough the sea

True to navigation, take another station

Let's vary piracy with a little burglary (REPEAT)

(lan Anderson's SOLO) Then:

With cat like tread, upon our prey we steal In silence dread, our cautious way we feel No sound at all, we never speak a word A fly's footfall would be distinctly heard

Come friends who plough the sea True to navigation, take another station Lets vary piracy, with a little burglary

With cat like tread, upon our prey we steal In silence dread, our cautious way we feel!
